Economic Forum of Young Leaders

5-9 września 2016

Nowy Sącz

Partnership Offert

Every year several hundreds of young people from NGOs, universities and government employees will come together again in **5-9 September** to talk about vision of new Europe. **Economic Forum of Young Leaders** is the only place in this part of Europe where Young people could cooperate together during workshops participating in networking sessions and panel discussions. They can meet and talk face to face with Presidents, Prime Ministers, Nobel Laureates, European Commissioners and others.

What's new about the upcoming edition?

More people! The number of our participants grows each year. This time we expect **over 360 Young Leaders** from around Europe. We are the largest meeting point of this type for young people who want to change the world and do something for better Europe.

Our participants come from European Union, Balkans, East Europe and South Caucasus.

Why to join to one of the biggest events of this type in this part of Europe?

Each year the companies support Economic Forum of Young Leaders because they have awareness that EFoYL is recognized brand among young people from around Europe.

By supporting us:

- You gain great Promotion of Your Company among the Young Leaders,
- Your Brand is visible to all participants, guests and media,
- You can show that your Company is friendly to young leaders,
- You help us to build this event,
- You help us to share knowledge, inspiration and ideas between the future elites of Europe.

**Haven't we thought of something extra you'd like to get?
Let us know!**
